MAKE YOUR CAREER AND EMPLOYABILITY A TOP PRIORITY IN 2022

- Explore your options
- Connect with our coaches
- Develop skills and experience
- Take action to get ready
- Impress potential employers

Follow these simple steps to kick some serious career goals:

STEP 1 – GET ENGAGED AND ACTIVE

There are a multitude of career and employability activities on offer, from free online masterclasses to one-on-one employability sessions. We’re here to help you with every step of the way. Employability Connect has all the experience you need to know.

STEP 2 – GET ENGAGED AND ACTIVE

There are a multitude of career and employability activities on offer, from free online masterclasses to one-on-one employability sessions. We’re here to help you with every step of the way. Employability Connect has all the experience you need to know.

STEP 3 – DEVELOP YOUR EMPLOYABILITY SKILLS

Have you started your job search? Are you job-ready?

• Find out more about what skills are in demand, your areas of strengths, and opportunities to develop skills. Find out more about what skills are in demand, your areas of strengths, and opportunities to develop skills.

STEP 4 – EXPERIENCE, EXPERIENCE, EXPERIENCE

It’s not all about your grades. Experience counts, so start getting work experience from the first year of your studies. Build your experience through our work integrated learning opportunities, including the integrative learning program called PACE (Professional, Academic and Community Engagement), part-time jobs on or off campus, mentoring and research opportunities. Employability Connect is the place to go to.
