

Visa extension process

If you are applying to extend your student visa, you will first need to apply for a new electronic Confirmation of Enrolment (eCoE). This should be done within 3 months of your visa expiring.

Please follow the steps below to apply.

1. Go to <https://ask.mq.edu.au/account/forms/display/ecoe>
2. Log in using your student OneID.
3. Complete the Confirmation of Enrolment (CoE) International Student Application
4. Submit your application along with the following documents:
 - Copy of your visa
 - Copy of your passport
 - Copy of your unofficial academic transcript - available through eStudent <https://student1.mq.edu.au/>
 - Copy of your health cover/OSHC (which should be extended as per information available on the AskMQ form).

You will be asked to outline the units you are planning to enrol in for each remaining study period in your program of study. If you need help with your study plan, please speak with an Academic Advisor: <https://students.mq.edu.au/support/study/academic-advisers>

It will take approximately 10-15 working days to receive your eCoE, as your department needs to first approve the application.

Once you receive your new eCoE, any questions about how to extend your visa should be directed to the Department of Home Affairs:

Tel: 131 881

Web: <https://immi.homeaffairs.gov.au/>

For more information please refer to the email you receive with your new eCoE.
