Before commencing any school-based professional experience program, students are required to complete the Anaphylaxis Training as mandated by the NSW Department of Education.

You must have a current certificate that covers the duration of your placement.

You are required to complete two components and then upload the certificate to iParticipate:

1) **Theoretical Component**
   Complete the online component of the ASCIA anaphylaxis e-training: [etraining.allergy.org.au](http://etraining.allergy.org.au)

2) **Practical Component**
   Once you have completed the online component, you will need to demonstrate the correct use of an epi-pen to either:
   
   - A General Practitioner (GP), e.g., MQ Health Clinic,
   - A Pharmacist, e.g., Pharmacy/Chemist, Priceline, or
   - An adult over 18 who can correctly administer an adrenalin autoinjector device. Please note that you cannot sign your own certificate.

   Print a copy of your e-training certificate and take it along to your practical demonstration. Your certificate will need to be signed by the witness. Their name, position, practice, and date must also be documented on the certificate.

   Important notes:
   - Not all GP and/or Pharmacist will sign-off on your certificate. Please ensure you call ahead.

Upload your signed certificate to iParticipate under the “Checks” tab.
