## STUDENT REPRESENTATIVE COMMITTEE – MEETING SNAPSHOT

Here's a brief overview of the key decisions made and matters discussed by the Student Representative Committee on 24 July 2017.

### Overview

The full minutes of this meeting will also be on the website once they are ratified at the next meeting of the SRC (this will be held on 24 August 2017). The minutes are the formal record of the decisions made by the SRC, but the outline below gives you an overview of the important issues dealt with at the latest meeting.

### Decisions made by the SRC

The SRC made the following decisions:

- **SRC Representation on the Student Experience Committee (SEC):** The Student Representative Committee decided that the two SRC Representations on the SEC will be the Assistant Chairperson (James Cummins) and Treasurer (Dee Zegarac). The Assistant Secretary (Alexander Hablutzel) will be invited to attend SEC meetings for the time being. SRC noted that the SEC will be recommending to Council that there be three SRC representatives on SEC, and the Assistant Secretary will become a member when that is approved (sorry for all the acronyms!).
- **SRC Contribution to Re:Conception 2017:** The Student Representative Committee allocated \$50,000 for this event.
- **24/7 Access to the Library and E6A Computer Laboratory:** The Student Representative Committee supported working with the University to provide students and staff with 24/7 access to the Library and E6A computer laboratory, and to extend the opening hours of MUSE. The SRC authorised Aditya Srivastava, Alexander Hablutzel and Sam Hurrell to work with relevant units and staff across the University and to bring a final proposal back to the SRC.
