

COMPUTING DROP-IN CENTRE

SERVICE AGREEMENT

The Computing Drop-In Centre (CDC) aims to be a collaborate space where fundamental computing concepts are explained and you have the opportunity to meet and study with like minded individuals.

Students are expected to:

Be respectful of all students and staff using the space

Come prepared with questions for the team

Sign in and leave the space at the end of the session

Staff are expected to:

Be professional and prepared for the session

Ensure the CDC is a safe and welcoming space for everyone

Be open to feedback

Note on CDIC service:

- Remember academic integrity rules when working in groups
 - Staff cannot debug your code
 - Staff are unable to provide answers or specific feedback on assessment tasks/projects
 - Staff will try to explain the underlying concepts or direct you to resources to enable you to complete your assessment
-

Every session - check in via the QR Code
