Scheduled Breaks for Compulsory Study Periods (Session 1 and 2)

Following are the scheduled session and recess breaks for session-based students in 2026:

Break period	Start	End
Session 1 Recess:	6 April 2026	19 April 2026
Session 1 Break:	29 June 2026	26 July 2026
Session 2 Recess:	21 September 2026	5 October 2026
Session 2 Break:	30 November 2026	21 February 2027

During these scheduled breaks, students are typically not required to attend formal classes or compulsory academic activities, unless otherwise specified for their course or program.

These breaks may affect a student's availability for employment or other commitments; however individual circumstances may vary. International students are encouraged to seek advice from the Department of Home Affairs regarding their specific visa conditions.

Students are expected to resume their studies following each scheduled break in accordance with their course requirements and academic timetable.
