

HEALTH PRACTITIONER'S REPORT

The Accessibility Service provides support and assistance to Macquarie University students with a disability or health condition and students who are carers of a person with a disability or health condition. In order to receive support, the student must register with this service and provide the University with supporting documentation relevant to their experience of the health condition(s).

This form is to be completed in full by an AHPRA registered or equivalent health professional in the field relating to the heath condition(s).
