To whom it may concern,

Please be advised Macquarie University is unable to provide student records, including Academic Transcripts (as well as unofficial and my eQuals transcripts) and Enrolment Registration Advice documents, until after Session 1 2023 results are officially released.

Macquarie University students will be advised of their Session 1 2023 results on 6 July 2023. Prior to this date, Transcripts cannot be published nor provided. Transcripts will be available from 7 July 2023.

Students intending to qualify for their degree at the close of Session 1 2023, after results release, can check their unofficial academic transcript to make sure their information is up to date before requesting an official academic transcript. Qualification will be confirmed within 5 business days after the release of results. Therefore Transcripts may only be available for qualifying students from 14 July 2023.

We apologise for any inconvenience this may cause and welcome your contact to verify this information.

Kind regards,
