To whom it may concern,

Please be advised Macquarie University is unable to provide student records, including Academic Transcripts (as well as unofficial and my eEquals transcripts) and Enrolment Registration Advice documents, until after Session 1 2025 results are officially released.

Macquarie University students will be advised of their Session 1 2025 results on 10 July 2025. Prior to this date, Transcripts cannot be published nor provided. Transcripts will be available from 11 July 2025.

Students intending to qualify for their degree at the close of Session 1 2025, after results release, can check their unofficial academic transcript to make sure their information is up to date before requesting an official academic transcript. Qualification will be confirmed within 5 business days after the release of results. Therefore, Transcripts may only be available for qualifying students from 17 July 2025.

We apologise for any inconvenience this may cause and welcome your contact to verify this information.

Kind regards,
