1. **INTRODUCTION**

The Student Resident Handbook (“The Rules”) are part of the Residential Agreement and it is compulsory for residents to accept their online Residential agreement when they take up residence in Dayman Apartments. The Rules provide instructions and information about the standards and conduct which residents of Dayman Apartments are expected to adhere to when they are residents of Dayman Apartments. The Rules and requirements of Dayman Apartments may be updated during the year. These will be sent to residents via email.

Residents must comply with all updated Rules. Failure to comply with the provisions of the Residential Agreement may lead to disciplinary action including ceasing of a resident's right to accommodation in Dayman Apartments. The purpose of the Rules is to ensure that residents have a peaceful, friendly, and comfortable experience. They should not be seen as an exhaustive list. A resident of Dayman Apartments becomes a member of the Dayman Apartments community and takes on the responsibilities and obligations affiliated with being a good neighbour and citizen, whether or not they are stipulated in the Rules.

2. **FACILITY NEIGHBOURS**

Unlike University Colleges and residential Facilities, this Facility is located adjacent to a retirement village and a residential flat building. These neighbours are entitled to quiet enjoyment of their dwellings and their surroundings. A quiet facility is also conducive to study and achievement within the university context. It is expected that no disruptive noise will emanate from Dayman Apartments at any time. The Resident Advisor will advise neighbours of a phone number, on which he or she may be contacted. The Resident Advisor shall keep an incident log book of such calls. The Resident Advisor is also required to log the response taken to any concern raised by neighbours and to identify the time taken to respond to the concern. This log book shall be made available to council for inspection upon request.

The Resident Advisor shall respond immediately to any noise related concern raised by a neighbour and to take any necessary action to reduce noise to acceptable levels.

3. **ABSENCE FROM DAYMAN APARTMENTS**

For emergency reasons Dayman Apartments management need to know if you will be absent from your room for an extended period (2 days or more) so we can contact you if need be. The Accommodation Office / Resident Advisor must be notified with a relevant emergency contact number. This can be done via email (7daymanra@gmail.com/ housing@mq.edu.au). If, for any reason, you are kept away from Dayman Apartments, please notify the Accommodation Office / Resident Advisor. Leave a message if the telephone is unattended.

Should you be absent for more than 48 hours, and the Accommodation Office / Resident Advisor has not been notified, the Accommodation Office / Resident Advisor has authorisation to enter into you room, to make sure you are alright.
If your absence has been reported as being longer than 72 hours, and we have no record of where you are, the Accommodation Office / Resident Advisor has the authority to report you missing to the police.

4. **AESTHETIC APPEARANCE**

It is imperative that your room be maintained in an orderly and neat state. There will be room inspections performed each semester by the Accommodation Office to ensure that all residents are maintaining a high standard of cleaning. All residents of the Dayman Apartments must ensure that all common areas are kept to the same orderly and neat appearance. All common areas are cleaned and maintained by Residence cleaners once per week but it is the responsibility of the residents to keep these areas orderly and neat.

It is prohibited to put any unattractive objects or material in or on any windows in your room. The window coverings may not be changed in your room. All outdoor areas must be kept neat and free of any clutter. The hanging of any item from the walls, ceiling or balustrades, decks and patios is not allowed. All furniture must not be removed or relocated from its intended location. Any furniture made for indoor use must not be used outdoors. If any item placed negatively affects the appearance of the Dayman Apartments, the relevant Resident will be asked, by the Accommodation Office / Resident Advisor, to remove such item/s within an allocated time frame.

Dayman Apartments is designed, to provide an environment that is attractive to all and no rubbish, furniture or shopping trolleys are to be left outside the property. Should a resident be found to have left a trolley or litter anywhere on the property a fine will be issued to the resident for the removal of the item plus an additional administration fee.

5. **ALCOHOL AND OTHER PERSONAL ISSUES**

Personal problems of some residents may affect the harmonious and peaceful atmosphere of the other residences. These problems can and should be dealt with as soon as they surface. These include and are not limited to

- Eating disorders
- Strained relationships
- Depression
- Alcohol abuse
- Academic Stress

Each resident is encouraged to seek help to ensure that such issues do not become disruptive for the individual and other residents (Macquarie University's Health & Wellbeing: 9850 7497).

If the Accommodation Office / Resident Advisor is concerned about the wellbeing and/or safety of a resident, then they are entitled to deal with the situation as an emergency and enter a resident’s room without notice. Residents are encouraged
to ensure that those who they know have problems get the support and help they need by notifying the Accommodation Office / Resident Advisor. A resident’s concern about protecting a roommate’s privacy, where excessive drinking is involved or otherwise, should not prohibit them from obtaining support personally or for the other person. If a resident becomes concerned about another resident in Dayman Apartments, or if the behaviour of another resident in Dayman Apartments has an effect on other residents, the resident/s should notify the Accommodation Office / Resident Advisor immediately and strive to get help for the resident of concern.

Drinking alcohol in Dayman Apartments is permitted; however, the Accommodation Office / Resident Advisor expects moderation in alcohol consumption. All residents are expected to have a responsible attitude and make a free and conscious choice as to how much they should consume. All residents are responsible for their own alcohol use and the alcohol use of any guests that they have in their property. They should at all times be mindful of other residents and not disrupt their entitlement to a peaceful, friendly and delightful experience. Games involving alcohol and other activities that encourage binge drinking, are strictly not allowed at Dayman Apartments. Residents that promote or encourage drinking games / excessive drunkenness may face an immediate termination of their residential agreement.

6. ONLINE ROOM CONDITION REPORT

On arrival, you will need to complete an online form of verifying all items provided in your room, by Dayman Apartments. Additionally, any damaged or missing items must be reported to the Accommodation Office/Residential Advisor within 7 days of moving in.

A resident should also report on the form if there are any concerns with the cleanliness of the Room or the Apartment Common Areas. The property officer will follow up on all issues reported and take the appropriate action to rectify the issue.

If no notification is issued to either the on duty resident advisor or the Accommodation Office within 7 days of moving in to the Room, it is presumed that the resident is satisfied with the condition of the Room and has confirmed that the Room was in a good and undamaged condition at the time of occupancy.

Upon vacating a Room, a resident will be charged a reasonable amount as determined by the Accommodation Office for any missing or damaged items and for damage to the Room not reported to the Accommodation Office within 7 days of taking occupancy of the Room.

7. HOUSE TALKS

In the first weeks of Session 1 and Session 2 of the University Calendar the Residential Advisors of Dayman Apartments will organise house talks for all residents. The house talks are a chance to meet your RA’s, go over important rules at Dayman Apartments, advise you of upcoming and future events for residents and also go over important house-keeping information. This is also a great opportunity to let the RAs know of any event ideas you may have. It will also give everyone a chance to meet all the other residents. Please note that house talks are compulsory for all current residents, both new and returning, and attendance will be noted.
8. AIR CONDITIONING

Air conditioning is available in both common rooms on Level 3 and Level 7 for your comfort. To save energy, ensure that you close the windows and doors when the air conditioner is on. Please also turn off the air conditioner as soon as you leave that room. Please ensure that the remotes remain in their holder on the wall, at all times. If the air conditioner is left on or the remote is missing, a fine will apply to all offenders. Our common areas provide a safe and comfortable space for all residents. Please help us keep them this way.

9. SECURITY CAMERAS

Security cameras are installed in the common areas on level 3 and level 7 as well as around the outside of the Dayman Apartments. Please be advised that students found leaving rubbish around the property/common areas or leaving the air conditioner on after vacating the common areas will face on the spot fines.

10. BICYCLES

Dayman Apartments recognises the value of bicycles as a sustainable form of transport and has provided bicycle racks to enable students to safely store their bikes. Please be advised that this is a free service provided to residents only. There are also bike racks on the Macquarie Campus and bike paths in the area. If you have a bicycle please adhere to the following:

- Bicycles must be secured only to the bicycle racks located in the basement of Dayman Apartments.
- Bicycles must not be left unattended or secured to other objects such as benches, light posts, trees, handrails or disabled access ramps.
- Bicycles are prohibited in the common areas, corridors, rooms, or apartments of Dayman Apartments, and cannot obstruct or block any means of access.
- Bicycles that are left unattended or secured to anything other than bicycle racks, block access or in any way present a safety hazard, they will be permanently removed by the Resident Advisor and an administration fee will be charged for the return thereof.
- Your bicycle storage will not be available to you once you have vacated your Room.
- Dayman Apartments is not responsible for the security of, the theft of, or any loss or damage sustained to any bicycle which is secured by using the bicycle racks or left anywhere else in Dayman Apartments.
- It is highly recommended that residents use U-bolt locking devices to secure their bicycles.
11. **CANDLES/INCENSE**

Due to risk to life and damage to property, candles, torches, incense and other open flame objects are not allowed anywhere inside or around buildings in Dayman Apartments, including in Rooms. Burning of any of the above objects will probably set off the smoke detectors in your Room. If a smoke detector is activated as a result of the use of any of the above prohibited objects, it will trigger an alarm to the fire brigade, upon which they will attend the premises. All costs associated with activated smoke detectors will be borne by the responsible resident. The Resident(s) will need to pay the cost of the fire brigade and/or any administration fee imposed by Facility management as a result of the resident's failure to adhere to this Rule.

12. **CAR PARKING AND MOTORBIKES**

Limited car parking spaces are available for lease at Dayman Apartments, with more parking for motorbikes and bicycles. If you wish to have access to the security parking facility, please inform the Accommodation Office. Please be advised that a fee per vehicle per week applies. Please note that any unauthorized cars parked here will be towed away. The cost of recovering of the towed vehicle will be the responsibility of the owner of the vehicle. Dayman Apartments cannot be held responsible for any damage to and/or theft of any vehicle or property left within the vehicle whilst the vehicle is parked in Dayman Apartments or resulting from the vehicle being towed from Dayman Apartments.

13. **FLOOR COVERING DAMAGE**

Under most floor coverings there are heating elements, which could be damaged if the floor coverings are damaged. Therefore, damage to floor coverings may include damage to heating elements. Irrespective of who is responsible, any damage to carpet, tiles or any floor covering, and underlying heating elements, in a Room will be charged to the resident. Similarly, damage to any Floor Covering in Common Areas, of the two apartments or in any common area of Dayman Apartments will be equally charged between Apartment and Facility residents correspondingly, unless the Accommodation Office/Resident Advisor ascertains the specific person or persons responsible for the damage, in which case those person or persons will be charged for the damage. The Accommodation Officer/Resident Advisor will attempt to have stained Floor Coverings professionally cleaned at the expense of the resident(s) of a Room. In the event that a stain cannot be removed, the Floor Covering will be replaced, at the expense of the resident(s) of a Room/Apartment. During the Term of the Residential Agreement and when a Resident vacates a room, the resident must make sure that all Floor Coverings in the Room are in the same condition as they were when they first took occupancy of the room, bearing in mind that there will be general wear and tear of the floor covering.
Where the Resident(s) neglects to do so, the Accommodation Office may organise for the Floor Coverings of the Room to be professionally cleaned and the cost of returning the Floor Covering in a Room to this condition, including the cost of having the Floor Covering professionally cleaned will be charged to the resident(s)

14. **MARKING**

Any form of marking on the roads, footpaths, parking areas or buildings is strictly not allowed and will be removed immediately by resident management and the cost will charged to the resident/s responsible for doing so.

Cleaning materials will not be supplied by Dayman Apartments and are to be sourced and supplied by the Resident. All cleaning materials to be used, must be suitable for the surfaces to be cleaned and the specific application. Arrangements can be made by the Resident to have their Room cleaned professionally on a once off, weekly, monthly or other regular basis for a fee.
