11. AGENDA ITEMS FOR DISCUSSION

11.2 Better Lighting on Campus

Paper submitted by Mr Hablutzel, University Council Student Member. Mr Whaites-Fruitrich spoke to the item in Mr Hablutzel’s absence.

Lighting on Macquarie University’s Campus has been a consistent issue raised by students who stay after dark at the university. The SRC led the initiative to keep Wally’s Walk lit by fairy lights however other key areas such as the path towards Macquarie Centre, Macquarie University Metro Station, Talavera Road
and the Gymnasium area are not adequately lit. The proposed budget will assist Property with installing and powering the lights.

RESOLUTION:
The SRC unanimously resolved to commit up to $12,000 to assist Property with the installation of lights in key locations around campus, subject to the brightness of the proposed LED lights being appropriate for safety. Proposed by Mr Jayden Whaites-Fruitrich and seconded by Ms Emily Ward.

Ms White departed the meeting at 6:25 pm.

11.3 R U OK? Day
Submitted by Ms Marlene Khouzam, Student Representative for Students with a Disability. Mr Whaites-Fruitrich spoke to the item in Ms Khouzam’s absence.

Mr Whaites-Fruitrich moved to amend the motion that the R U OK? Day be organised by the SRC Mental Health Working Group and supported by the SRC using its social media for promotional activities. An invitation will go out to all student groups/societies to participate with their stalls on Thursday 12 September 2019. Members noted that Student Engagement can provide funding on big events such as R U OK? Day despite receiving funding from other sources. Due to time sensitivity, the working group must meet urgently to develop the recommended scope and logistics of this event.

RESOLUTION:
The SRC unanimously resolved to provide $1,000 for R U OK? Day merchandise and delegate the SRC Mental Health Working Group to organise the event. Amended by Mr Whaites-Fruitrich, proposed by Mr Max Gale and seconded by Mr UK Gautum.

ACTION:
SRC Mental Health Working Group to meet and propose the scope and logistics of R U OK? Day event, to be considered via circular resolution before the next SRC meeting; subject to the SRC Chair’s approval.

11.1 Funding for Walanga Muru Exchange Program
Paper submitted by Ms Neenah Gray, Aboriginal & Torres Strait Islander Students.

Walanga Muru has set up a partnership with the University of Victoria, Canada, for a unique exchange program to complete the course, Le Nonet, that is particularly designed to welcome and support those students of Indigenous background. The applicants chosen for this exchange program this year are Mr Jett Hart and Mr Brandon Gooley. Each student received $5,000 from Walanga Muru to assist with their costs, and will also receive $1,500 upon completion of the program.

The Committee noted that SRC supported this program in 2018 and revisited the SRC proposal and resolution from 27 September 2018 meeting; noting the reason why the proposed grant amount was amended. Given that Mr Hart and Mr Gooley will commence their exchange program in three weeks, it was noted that it was unlikely the funding will be available in time but their expenses could be reimbursed. Members considered the SRC’s remaining budget and the benefits that Mr Hart and Mr Gooley will receive from this program.

RESOLUTION:
The SRC resolved to:
- support Walanga Muru's partnership with the University of Victoria, Vancouver Island by contributing $3,000 for each student (two students in total) completing an exchange program abroad. Proposed by Ms Ward and seconded by Mr Alex Cullen. Majority members voted in favour with two (2) abstentions;
- unanimously support in principle this initiative in 2020 without committing to the specific amount of funding and recommend future SRC members to support this exchange program moving forward. Proposed by Ms Gray and seconded by Mr Whaites-Fruitrich.

11.4 SRC Postgraduate Conference Grant’s Approval Process
Submitted by Ms Liz Vrazas, Postgraduate Representative for Faculty of Medicine and Health Sciences.

Whilst eligibility criteria including funding limits must still be met, the following changes to the SRC Postgraduate Conference Grant application are proposed for SRC consideration:
- MQ students are able to pay for the conference registration themselves, and provide a tax invoice (domestic) or receipts (international) for reimbursement.
• Conferences that occurred in 2019 may be reimbursed retrospectively with the provision of tax invoices (domestic) and receipts (international).
• The applications must be received by the SRC Treasurer prior to 1 November 2019.
• Applicants must be notified by 21 November 2019; allowing them a week to meet with Student Engagement to book/be reimbursed.

RESOLUTION:
The SRC resolved to approve changes to the application form to further clarify the eligibility of applications. Proposed by Mr Cullen and seconded by Mr Whaites-Fruitrich. Majority members voted in favour with one (1) abstention.

13. QUESTION TIME

13.1 Catering for SRC meetings

Members noted that the former SRC preferred to cut its catering costs and instead spend the budget on grants or SRC initiatives however Student Engagement can make alternative arrangements to accommodate people with dietary requirements.

ACTION:
Mr Gale to create an online poll for suggested alternative food options for SRC meetings.

13.2 Complementary Gym Membership for SRC members
