The Committee noted Ms May Thet Naing’s resignation as Treasurer and, on behalf of the Committee, the Assistant Chairperson thanked Ms Naing for her commitment and contribution in the past year.

7.1 Session 2 2019 Reports and Financial Statement

The Committee also thanked Mr Habluzetel; who steps in as the interim Treasurer; Mr Alex Cullen and Mr Jayden Whaites for producing the financial reports.

2019 has been a dynamic year of change and new initiatives for the SRC. The SRC sponsored and ran many events in 2019; such as Re:Conception, RU OK Day, Mental Health Day and O-Week, and provided funding to those running events and doing things that benefit the community. The Committee also provided funding to postgraduate students going to conferences and events. Further initiatives taken through the year have been the endorsement grant for Ms Tayla King; a student with hopes to compete in the Olympics, Ms Nessa Salvador and Mr Nathan Ricardo who attended the Nelson Mandela UN Global Human rights moot and ultimately came 2nd place and Sydney International Open run from the Macquarie Chess Club which ran an on-campus International Level Tournament. The SRC has undoubtedly increased its presence on campus through the usage of endorsing student events and students, in addition to providing new infrastructure in the form of the Sleeping pod initiative which saw thousands of students become engaged with the social media platforms of the SRC.

Members noted issues in some regards with the processing of grants and the responsibilities of members of the SRC concerning the overall delivery of the monetary requirements of the SRC, however, ultimately the SRC has found success through the initiatives it pursued this year and hopes to take this to a higher level in 2020.
RESOLUTION SRC 20/03:
The SRC unanimously approved the end of 2019 Treasurer Report and Financial Statement for distribution to the Student Experience Committee (SEC) and publication as part of the minutes for public consumption. Proposed by Ms Marlene Khouzam and seconded by Mr Whaites.

7.2 SRC October - December 2019 Expenditure Report
The Committee noted the SRC October - December 2019 Expenditure Report.

7.3 Postgraduate Funds October - December 2019 Expenditure Report
The Committee noted the Postgraduate Funds October - December 2019 Expenditure Report and necessity of communication improvement regarding outcomes of received grant applications.

8. UPDATE FROM SRC SPOKESPERSON
Enquiries regarding 2020 Curriculum were received and forwarded to Student Life for appropriate response. The Committee noted updates on 2020 enrolment status and that additional resources have been put in place for student support.

ACTION:
As Mr Francisco Gutierrez has graduated, an expression of interest to fill one SRC Spokesperson position will be circulated by the SRC Secretariat.

Ms Elizabeth Laughton left the meeting room before the next item be discussed.

9. REPORT FROM UNIVERSITY COUNCIL
The University Council met on 12 December 2019 and discussed the following:
- 2020 budget approval;
- University ranking status; and
- Commitment to 100% renewable energy.

10. REPORT FROM STUDENT EXPERIENCE COMMITTEE (SEC)
There were no substantive matters reported at this meeting.

Ms Laughton rejoined the meeting.

11. AGENDA ITEMS FOR DISCUSSION
11.1 SRC Membership and Vacancies
Following the Session 2 2019, some SRC members have completed their degrees and are no longer members of the SRC due to graduating. This creates five casual vacancy positions on the SRC as listed below:
- Undergraduate Student Representative from the Faculty of Medicine and Health Sciences
- Postgraduate Student Representative
- Postgraduate Student Representative from the Macquarie Business School
- Overseas Students Representative
- GLBTIQ Students Representative

Whilst acknowledging Student Elections Subcommittee's recommendation for an election process to fill SRC casual vacancies, the Committee noted that it is not in accordance with the SRC Constitution. Members recommended a constitutional review be taken placed in the near future.

The Assistant Chairperson expressed his support in proposing Mr Whaites as the new Treasurer since Mr Whaites has demonstrated his ability to fulfill the responsibility.

RESOLUTION SRC 20/04:
The SRC resolved to:
1. note casual vacancies due to members graduating at the end of 2019 and the process to fill these positions as outlined on the SRC Constitution. If nobody stands for election to the position of a SRC Member, the position must as soon as practicable be filled by an eligible person appointed by the Selection Panel from persons nominated by the Vice-Chancellor; and
2. appoint Mr Jayden Whaites as the Treasurer for the unexpired balance of Ms May Thet Naing's term of office, concludes on 13 May 2021. Proposed by Mr Hablutzel and seconded by Ms Khouzam. Ten (10) votes in favour with one (1) abstention.
11.2 Postgraduate Project Update
The Committee noted Mr Cullen’s presentation on the detailed 2020 Postgraduate Project of works which includes initiatives, challenges and implementation approaches.

11.3 Postgraduate 2020 Conference Grant Proposal
The Committee acknowledged Mr Cullen’s well thought out presentation and PG grant proposals.

The Committee noted this grant pool will likely provide an opportunity to lower barriers to accessing key academic, research and industry forums and events for Postgraduate students. This proposal has been developed through feedback from Postgraduate SRC representatives, Student Engagement and review of the 2019 Postgraduate Grant Pool initiative.

RESOLUTION SRC 20/05:
The SRC unanimously resolved to approve the allocation of $105,000 from the SRC PG Fund pool for the purpose of creating a Postgraduate Conference Grant pool. Proposed by Ms Liz Vrazas and seconded by Mr Max Gale.

11.4 Postgraduate Indigenous Higher Education Scholarship Fund Proposal
Paper submitted by Mr Cullen, Distance Student Representative, following a number of consultations with Walanga Muru and the Aboriginal and Torres Strait Islander Representative on the SRC.

This fund will likely provide an equitable opportunity to support and encourage successful, highly driven Aboriginal & Torres Strait Islander students to pursue their involvement in academic or extracurricular endeavours. This initiative is budgeted as a 2-year program and a number of Scholarships will be awarded in each semester. The SRC will need to make further determination as to means to continue this program into 2022. Members questioned about a flexibility on Academic performance requirements which was suggested to be considered at the next SRC meeting.

RESOLUTION SRC 20/06:
The SRC unanimously approved the allocation of $28,000 from the SRC PG fund pool for the purpose of creating a series of grants for Aboriginal and Torres Strait Islander postgraduate students to support extra-curricular activities. Proposed by Mr Whaites and seconded by Ms Weeden.

11.5 Opal Card Support
The Committee noted that the paper is based on personal experience of the SRC Disabled Students Representative. However, further consultation with Accessibility Service and Student Connect, the matter has been identified as a wider issue and not specifically students with Disability concession overrides.

Members noted the Accessibility Service’s response that the team is working with Student Connect to look at implementing a system whereby students with an ongoing/permanent Disability who meet the eligibility criteria for the concession overrides will only be required to re-apply for their concession annually and not on a per-session basis. Ms White will follow up on the matter outside of this meeting.

11.6 Recommendations from O-Week Subcommittee
Paper submitted by Mr Whaites, Representative for the Faculty of Science and Engineering and Orientation Subcommittee’s Chair.

Following the last SRC meeting in October, the Orientation subcommittee has been delegated to propose a detailed O-Week budget at this meeting. The Financial implications will be a discretionary cost of $15,350 from the SRC’s 2020 budget.
