4. PRESENTATIONS BY INVITED GUESTS

4.1 Student Experience Map
Presented by Lilia Draganov, Senior Project Officer, DVC-Student and Registrar – Executive.

The Committee noted the overview of the Student Experience Map, the Legal Project and how students can maximise their academic potential, develop skills and engage with what to offer on campus during their enrolment at the University.

4.2 MQ Train Station Upgrade
Presented by Carly Roy, Program Manager, Macquarie University Train Station Upgrade and Frances Olsen, Change Manager, Station Upgrade Project.

Members noted the overview of the Sydney Metro project and alternative transport during the upgrade of the Epping to Chatswood line. There will be an additional 120 buses around the Macquarie precinct and strategies to minimise disruption as much as possible during the line upgrade. The team will liaise with Transport for NSW and the Roads and Maritime Services for any on-campus events and accessibility needs for people with physical disabilities.

As such, the SRC's Infrastructure sub-committee is invited to take part in the consultation process and Mr Anthony Ryan is delegated as the SRC contact person.

Ms Draganov, Ms Roy and Ms Olsen departed the meeting at 6:05 pm.

4.3 The University’s Parking Strategy
Presented by Mr John Durbridge, Campus Security Manager.

There are approximately 5,000 parking spots on campus available to both staff and students with reasonable parking fees compared to the commercial parking fees around the area. However it was noted that the current permits are old and outdated technology. From 1st October, a smarter “pay as you go” system for students will be introduced with staff moved to the new system from March 2019. The new system will allow users to pay for what they use with different rates depending on where they choose to park. The fee discount will still apply to staff and students and car registration numbers will be used as the ‘permit’. An account can be created either via an online application (third party provider) or pay by phone using an MQ staff or student number. There is a different system implemented for MQ accommodation where cars are parked overnight.

Members asked about the consultation process with student bodies prior to this implementation and options for students in certain faculties who are unable to choose their timetable and have classes during peak hours. Any concerns are to be submitted to the SRC secretariat or directly to the Campus Security Manager by July before the communication package is released.

Mr Durbridge departed the meeting at 6:20 pm.

- Improved Dialogue with Student Body – ongoing, Ms Zoe Williams has provided comments on the draft MoU to Mr James Cummins. It was recommended that the document needs some revision and perhaps seek further consultation with the Legal Office. The Chair noted the urgency to finalise this proposal however, given the nature of the discussion, this matter should be discussed before the Committee rather than a circular resolution.

AGENDA ITEMS FOR DISCUSSION

10.

10.1 and 10.1.1 Affiliation with the National Union of Aboriginal and Torres Strait Islander Students (UATSIS)

Paper submitted by Ms Amanda Fotheringham, Student Representative for Aboriginal and Torres Strait Islander Students.

The Union of Aboriginal and Torres Strait Islander Students (UATSIS) is a student owned and operated organisation dedicated to advancing the representation of Aboriginal and Torres Strait Islander Students undergraduates. The affiliation cost is $1,000 and $32 per Aboriginal and Torres Strait Islander student enrolled full-time. This proposal has been discussed with and is supported by the Walanga Muru office.

Given the structure of MUSRC, the UATSIS approves a free affiliation for a term of 3 months. During this trial affiliation period, it will allow Aboriginal and Torres Strait Islander Students access to conference, training, networking and leadership opportunities but no rights to vote on any motions. Should SRC decide to continue the affiliation after the trial period, the cost per student will be supported by Walanga Muru.

The Committee noted the Constitution, Summary of the Business Plan and Regulations and By-Laws of UATSIS were circulated electronically earlier today. As such, not all members would get the opportunity to fully review the documents.

Members requested to vote on this motion by a secret ballot.

RESOLUTION:
The SRC resolved to affiliate with the Union of Aboriginal and Torres Strait Islander Students (UATSIS) for a term of 3 months at no fee. Proposed by Ms Amanda Fotheringham and seconded by Mr Anthony Ryan. Ten (10) votes in favour with four (4) abstentions.

10.2 Updating the SRC Website and Facebook Page to Contain the SRC Grant Application Form

Paper submitted by Mr Sam Hurrell, Undergraduate Representative for the Faculty of Medicine and Health Sciences and Ms Dee Zegarac, Treasurer and Undergraduate Student Representative from the Faculty of Arts.

The SRC requires societies to fill out a grant application form, in order to receive funding from the SRC. Currently societies need to get access to the grant application form through an SRC representative they know, and many societies are unaware they are able to apply for grants from the SRC.

RESOLUTION:
The SRC unanimously resolved to update the SRC Website and Facebook page to contain easy access to the society grant form.

ACTION:
Members who need access to update the SRC webpages to liaise with Ms Nicole Saunders from Campus Engagement.

10.3 SRC Recommendation to UBar

Paper submitted by Mr Sam Hurrell, Undergraduate Representative for the Faculty of Medicine and Health Sciences.

The UBar website is one of the first-places students go to find out information about the UBar. During O-week, several students asked questions about what fun events are run on campus but the UBar website did not contain up to date information.

RESOLUTION:
The SRC unanimously recommended UBar ensure its website contains up to date information including its menu and information about upcoming UBar parties.

13.4 Room Hiring Fees

Members were informed that student groups now need to pay for room hire in order to book the conference room in MAZE. The room hire fees of at least $90 per booking go to an external company, FORTE Catering and Events.
