Board member Sophie Cracknell advised prior to the meeting that she would be in attendance from approximately 7:00 pm and Janson Lim advised that he would not be in attendance until approximately 6:30 pm.

The Chair welcomed Deidre Anderson Deputy Vice-Chancellor (Students and Registrar) and Greg Jones University Council member who were in attendance to speak to the Board members. Kathy Vozella (Director of Marketing) and Luke Williams (Project Director – Brand Activation) were also in attendance to speak to Agenda Item 2.4 New Macquarie University Brand and SAB logo.

The Chair noted that there were insufficient Board members to reach the requisite quorum at the start of the meeting.
Council member Greg Jones introduced himself to the Board members and provided a summary of his background and involvement with Macquarie University Council. He also spoke about his understanding of the Framing of Futures and its connection to students and the SAB. He expressed his long term hope for the SAB was to have strategic goals developed and achieved.

Deidre Anderson spoke to the SAB and noted her recent smaller group meetings with members; she thanked members for their candid comments and noted a number of issues had been identified, including but not limited to governance, meeting schedules, business plan templates and engagement with Executive Dean’s. A number of strategies to respond to these issues have been identified and Deidre invited further comments. 2 AGENDA ITEMS FOR DISCUSSION

2.1 RENOVATION FOR QUEERSPACE

Yi Wong spoke to the submitted paper and noted that whilst there was not the requisite quorum to make a formal decision regarding the submitted proposal the views of the members in attendance could be provided. The members in attendance were supportive of the SAB providing $3000 to assist in the planned renovations to Queerspace on campus.

ACTION: Formal consideration of this item is deferred until the next SAB meeting.

2.2 MUPRA

Gemma Quinn spoke to the submitted paper concerning the freezong of funds and the commencement of legal action against students. Gemma expressed her opinion regarding the inappropriateness of the action against the students concerned, highlighting that some of the students involved are international students. A number of
members commented that this has the potential to set a dangerous precedent for any future legal action to be taken against representative students.

The Chair noted that in her opinion it would be unlikely that universities would consider commencing legal action against students on representative boards lightly unless the university was sufficiently concerned and believed that there was evidence of fraud or criminal activity, including misappropriation of funds. However, she noted that she was speaking generally and was not speaking in relation to the specific MUPRA action as she did not have specific knowledge of this matter.

Noting that there was not a quorum present the Board members in attendance were interested to know the consensus of opinion regarding the action of the University against these students. The following question was posed “Does the SAB agree with the action taken by the University against MUPRA?” Of the thirteen members in attendance at this time, all members (with one abstention – Lloyd Jones) expressed the view condemning the action taken by Macquarie University against MUPRA students.

The Board members in attendance were supportive of the formalisation of the views of the SAB regarding MUPRA (current legal action and overall existence) to be clearly articulated.

**ACTION:** Consideration of this item is deferred until the next SAB meeting.

### 2.4 NEW MACQUARIE UNIVERSITY BRAND AND SAB LOGO

Kathy Vozella and Luke Williams provided a presentation on the rebranding of Macquarie University and highlighted the project goals and processes and noted the lengthy consultation over the past year. To create a stronger narrative the lighthouse emblem is to return as the brand mark with modifications from the previous design. There is now a need to align the SAB logo with the new brand architecture and reference was made to previous discussions with the SAB, though notably not with the current members of SAB.

There was a difference of opinion in relation to the extent and application of the consultation with SAB members regarding the SAB logo to date. Kathy indicated her willingness to meet with members of the SAB to discuss the SAB logo, however noted that there are approaching deadlines associated with this project.

The Chair encouraged interested SAB members to meet with the Marketing team to discuss their views on the SAB logo.
