  - **Preferred day and time.**
    The members were encouraged to complete and return the meeting preference form that had been circulated by the Board Secretary. The Chair noted that meetings held on an evening were generally accessible by most Board members, with the meetings in the past usually being held on a Wednesday or Thursday evening.

The Board noted their preference to review the meeting day and time at the start of each new semester.

- **Frequency**
  The Chair highlighted that the SAB Constitution (Schedule 4 – 1.2(a)) requires the SAB to meet at least twice in each of the first two sessions. The Chair noted that examination commences on Tuesday 9 June until 26 June 2015 followed by a session break commencing on 29 June until session 2 commences on Monday 27 July 2015.

Prior to the commencement of the new membership term the following two tentative SAB meeting dates had already been scheduled for 2015:
- Thursday 20 August from 5:30 – 7:30 pm
- Thursday 22 October from 5:30 – 7:30 pm

The Chair sought comment from the Board regarding the number of meetings they require and some members commented that they were undertaking PACE units during the upcoming session break and would be overseas.

A suggestion was also made that meetings could be held on alternating days of the week with a request that a review of the day of the meeting is conducted prior to start of each new session.

The Chair spoke to the types of subcommittees of SAB that had been created by the previous SAB, including the Budget Committee, Marketing and Communications Committee, Charter Review Committee, Disability Committee and the Club Societies Funding Committee. With the new SAB constitution the role of the Clubs and Societies Funding Committee would primarily be replaced by the Major Student Organisation (MSO) subcommittee.

The Chair invited comments from the Board on the subcommittees they wanted created, highlighting the role of the subcommittees with membership being drawn from the current SAB members. It was also clarified by the Chair that the absence of a subcommittee did not exclude a specific topic being discussed, but was a way in which to guide the routine discussion points of the SAB.

The Chair requested feedback from the Board regarding the types of subcommittees that would be required.

ACTION: Governance Services to obtain feedback from members regarding the types of subcommittees required and membership.

The Board was advised that the next meeting of the Student Experience Committee will take place on 28 July 2015.
