3. AGENDA ITEMS FOR DISCUSSION

3.1 CONSTITUTIONAL RECOGNITION OF THE SENATE STUDENT REPRESENTATIVES ON SRC

The paper submitted by Lachlan McGrath, Undergraduate Student Representative from the Faculty of Human Sciences and the SRC Treasurer, was noted.

Members discussed the importance of Senate Student Representatives involvement on the SRC as members with full voting rights. The Committee was advised that several of the Senate Student Representatives are active members on the SRC and have made numerous contributions in the past. Without the right to vote Senate Student Representatives on SRC feel disengaged.

Members were reminded that the purpose of having the Senate Student Representatives present at the SRC meetings is to create and maintain the interaction between the two governing bodies. This relationship can be developed by Senate Student Representatives attending SRC meetings and sharing their comments and recommendations.

Members suggested that meetings should be arranged so that all student representatives from all Committees and Boards are invited to meet and discuss their ideas in order to improve student’s experience at the University. Ms Guerin supported the idea and suggested that two meetings per year may be arranged and that the Chair of Academic Senate was keen to engage with the SRC.

Members were reminded that regardless of the outcome of this motion, there is a process of changing the constitution which could take some time.

Mr McGrath proposed the withdrawal of this motion as it requires further discussion and consultation before being considered by SRC.

The Committee expressed its appreciation for the contributions made by all Senate Student Representatives to the SRC throughout the year.

The SRC noted that Mr McGrath withdrew the motion and would seek further consultation on this matter outside this meeting.

ACTION:
The SRC Secretariat to pass on SRC acknowledgement and appreciation for the contributions of the Senate Student Representatives via the Chair of Academic Senate.

The SRC resolved to consolidate the Student Services and Amenities Fee (SSAF) and the Budget and Finance sub-committees.

4.4 MARKETING AND COMMUNICATION SUB-COMMITTEE

The Committee was advised that the SRC social media channels are doing well. However, more involvement from all members involved in SRC events is needed in order to better represent the SRC profile.
The concern about an alleged breach of the SRC constitution and charter by SRC members was raised. The members questioned the definition and level of confidentiality on SRC matters discussed at SRC meetings and what can be disclosed to the public prior to the publication of meeting minutes on the University website.

The Committee noted that any Grapeshot articles related to the SRC are reviewed by the Editorial Board, which includes current SRC members as Board members, and Campus Life prior to publication.

The Chair advised members that allegations which may cause serious consequences to an individual must be investigated thoroughly and supported by evidence to substantiate any claims. A determination should not be made on the issues raised at this meeting without proper evidence nor guidance from the Office of the General Counsel.

**ACTION:**
The Chair to discuss with the Office of the General Counsel for guidance and appropriate recommendations to be provided to the next meeting of the Committee.
