8. **AGENDA ITEMS FOR DISCUSSION**

8.1 Annual Review of SRC Constitution for 2016 – 2017

Following the call for members’ feedback on the current SRC Constitution, Ms Williams advised that it has been incorporated with feedback from Student Engagement and Governance Services. The feedback has been endorsed by the Deputy Vice-Chancellor (Student & Registrar) (DVC S&R) and Campus Life Director and forwarded to the Office of General Council (OGC) for drafting of a new constitution. The new draft is expected to be presented at the SRC meeting on 12 December 2016 for endorsement and implementation in time for the 2017 SRC election process.

One of the suggestions is to re-examine the Major Student Organisations (MSO) function as it was identified that constant changes to executive positions in student groups/clubs affect the MSO representatives on the
This change will result in a broader call for nominations whereby executive members from student groups/clubs, subject to their eligibilities, can apply for the positions on the SRC directly.

Members made the following additional comments at this meeting:

- Members questioned the rules and appointment process of the SRC Deputy Chair position and whether it is a staff or student nomination.
- It was suggested that a change be made to the SRC term of office commencement date to align with study sessions, subject to advice from the Legal Office. Members noted that should they expect to graduate before their term of office ends, the official conclusion date of their SRC term of office is the last day of their last study session.

Members advised that there is more feedback surrounding the SRC structure and its function following the Retreat. Ms Williams advised that further feedback can be reviewed early next year as it is unlikely to meet the current deadline for the early 2017 SRC elections.

Members suggested a workshop with Governance Services on feedback for the SRC Constitution revision.

8.2 SRC Budget and Program of Work for 2017

The Chair was advised that the SRC Retreat was held on Sunday 16 October 2016 and the following questions were frequently raised by the members:

- University’s expectation of SRC members;
- SRC members’ expectation of support from the University;
- clear guidelines for SRC members and staff, including their expected commitment, during co-creation of events; and
- effectiveness of the current SRC Structure.

Although the major purpose of this Retreat was to discuss the 2017 SRC program of work, the Chair was advised that no input has been received from SRC members during this time and therefore the program could not be finalised. Subsequently, the 2017 budget cannot be estimated.

Members actively discussed their concerns with the current SRC structure and its function. They suggested a new constitution structure with new categories of membership for executive positions. Members were advised that it would be in the SRC’s best interest if members met outside of this forum and came to an agreement of what SRC wants to proceed with before the work can be established.

Freya Wadlow departed the meeting at 7.37pm. Kieren Ash departed the meeting at 7.43pm.
