STUDENT VISA INFORMATION

- In order to commence your study in Australia, you must obtain a Student Visa.
- Upon successfully completing your course and scholarship acceptance process, Macquarie University is required to provide you with an electronic Confirmation of Enrolment (eCoE) to enable you to apply for an Australian student Visa. The eCoE will not be issued until payment of the commencement fee minus the value of the scholarship is remitted.
- Scholarship holders will be responsible for any costs associated with obtaining a Student Visa to study in Australia.
- You should take the eCOE to the nearest Australian High Commission to apply for your Student Visa.
- It is the responsibility of each Scholarship holder to ensure they hold a valid visa for the duration of their stay in Australia. If a visa expires, the student may be required to leave Australia.
- All Australian Student Visas are subject to mandatory conditions which students are required to comply with. These include but are not limited to a limitation on work, maintaining enrolment and Overseas Student Health Cover (OSHC) and notifying the University of their Residential Address in Australia and any changes to their address. In addition, Student Visas may also have discretionary Conditions which are included in the visa documentation.
- Please note that the Australian Department of Immigration and Border Protection (DIBP) has assessment criteria in place for the grant of a visa to study in Australia.
- Macquarie University is required by law to report any breach of visa conditions to the Department of Immigration. The Student Visa will be automatically cancelled 28 days after such a report is received unless the visa holder is able to show that no breach occurred.
- It is a requirement that all applicants for Student Visas have medical insurance. You are responsible for payment of your own Overseas Students Health Cover (OSHC) at the time of acceptance of Scholarship. The Australian Government issues visas for study in Australia subject to certain conditions, which are clearly notified with the visa documentation.
- Scholarship holders are expected to complete their study within the CRICOS registered length of the course of study.

Notwithstanding any of the conditions stated herein, scholarship holders are subject to the conditions of their student visa.

This should not be considered Visa advice. Students are encouraged to check the DIBP website <http://www.border.gov.au/Trav/Stud> for the most up to date Visa information
