

# Bachelor of Biodiversity and Conservation

Below is a suggested enrolment guide for students commencing first year in 2020.

## Unit Code – Session 1

**BIOL1310** Organisms to Ecosystems

**BIOL1610** Biology in Practice

**ENVS1017** The Living Environment

**CHEM1001** Foundations of Chemical and Biomolecular Sciences 1; **or**  
**CHEM1002** Foundations of Chemical and Biomolecular Sciences 2

## Unit Code – Session 2

**BIOL1110** Genes to Organisms

**FOSE1015** Statistical Concepts for Science

**FOSE1025** Scientific Computing

**Unit of your choice (you might consider PHYS1210 or ENVS1018 or GEOS1130 or ACOM1002)**

This is not an exhaustive list and should be used as a guide only. You may have specific interests or career aspirations that will determine your choice of option sets or electives. The full list of options sets and electives can be found in the 2020 handbook <http://handbook.mq.edu.au>.

If you're taking a double degree with the listed single degree option and would like advice about which units you should take, please contact us directly.
