

# Bachelor of Chiropractic Science

Below is a suggested enrolment guide for students commencing first year in 2020.

## Unit Code – Session 1

**CHIR1101** Chiropractic Sciences 1

**ANAT1001** Introduction to Anatomy

**BIOL1210** Human Biology

**CHEM1001** Foundations of Chemical and Biomolecular Sciences 1

## Unit Code – Session 2

**CHIR1102** Chiropractic Sciences 2

**ANAT1002** Anatomy of Limbs and Back

**HLTH2110** Clinical Epidemiology and Biostatistics for Health Sciences

**PHYS1210** Physics for Life Sciences

This is not an exhaustive list and should be used as a guide only. You may have specific interests or career aspirations that will determine your choice of option sets or electives. The full list of options sets and electives can be found in the 2020 handbook <http://handbook.mq.edu.au>.

If you're taking a double degree with the listed single degree option and would like advice about which units you should take, please contact us directly.
