

Bachelor of Engineering (Honours)

ELECTRICAL ENGINEERING

Below is a suggested enrolment guide for students commencing first year in 2020.

Unit Code – Session 1
MATH1010 Mathematical Modelling IA; or MATH1015 Mathematical Modelling IA (Advanced)
PHYS1510 Engineering Physics
COMP1000 Introduction to Computer Programming
ENGG1000 Introduction to Engineering

Unit Code – Session 2
MATH1020 Mathematical Modelling IB; or MATH1025 Mathematical Modelling IB (Advanced)
ENGG1050 Engineering Design
PHYS1520 Physics for Electrical and Electronic Engineering
COMP1XXX or MATH1XXX or STAT1XXX or unit of your choice

This is not an exhaustive list and should be used as a guide only. You may have specific interests or career aspirations that will determine your choice of option sets or electives. The full list of options sets and electives can be found in the 2020 handbook <http://handbook.mq.edu.au>.

If you're taking a double degree with the listed single degree option and would like advice about which units you should take, please contact us directly.
