

Bachelor of Science

HUMAN BIOLOGY

Below is a suggested enrolment guide for students commencing first year in 2020.

Unit Code – Session 1
BIOL1210 Human Biology
COGS1000 Introduction to Neuroscience 1 ; or unit of your choice*
FOSE1005 Mathematical Concepts for Science; or FOSE1015 Statistical Concepts for Science; or FOSE1025 Scientific Computing
ANAT1001 Introduction to Anatomy; or ANTH1051 Human Evolution and Diversity; or CHEM1001 Foundations of Chemical and Biomolecular Sciences 1 (depending on concentration)
Unit Code – Session 2
BIOL1110 Genes to Organisms
BIOL1320 Biological Basis of Behaviour; or unit of your choice
FOSE1005 Mathematical Concepts for Science; or FOSE1015 Statistical Concepts for Science; or FOSE1025 Scientific Computing
Unit of your choice

This is not an exhaustive list and should be used as a guide only. You may have specific interests or career aspirations that will determine your choice of option sets or electives. The full list of options sets and electives can be found in the 2020 handbook <http://handbook.mq.edu.au>.

If you're taking a double degree with the listed single degree option and would like advice about which units you should take, please contact us directly.
