Does your research project involve children under 18?

Working With Children Check (WWCC) status (Only if, answer to above question is Yes)

In compliance with the Child Protection (Working with Children) Act 2012, anyone working with children under 18 must undergo a Working With Children Check and receive clearance.

The WWCC is a requirement of your research enrolment and clearance must be obtained prior to and remain current whilst conducting research involving children or you will be in breach of the Act.

This check is free for research candidates and the outcome of your check will be recorded on the student system. Visit the NSW Government website for full details.

COVID-19 Impact Report

All candidates must complete this section to detail the impact of the global pandemic on their research progress. The more detail you provide in this section the better the University will be able to respond to the disruption caused by COVID-19 on the HDR cohort. For details of options available to candidates at this time please see the HDR FAQs on the COVID-19 website.

1. Please outline in detail the impact on the COVID-19 Pandemic from March 2020 on your research progress.

2. Please outline in detail the strategies for mitigating the impact on your research, what worked and what did not?

3. If you have been set back with delays to research, please estimate the time (in months) that this has impacted you at the time of writing this report.

Thesis Submission

Expected submission date

Do you expect to submit your thesis by your expected work submission date (EWS)?

If you answered no, have you discussed your situation with your Principal Supervisor?

If you answered no, please explain
Cause of delay

NOTE: Candidates who will not submit by the thesis due date must apply for Extension of Out of Time Candidature in accordance with the Out of Time Policy.

Please indicate the cause of the delay in completing your thesis on time.
1. You may indicate more than one
2. Poor quality ethics applications requiring further work does not constitute an ethics delay.

Please provide further explanation to any of the identified areas above or send details confidentially to your Associate Dean HDR.

If you would like to confidentially discuss any aspect of your candidature please contact your Faculty HDR Manager, or your Associate Dean HDR to arrange a meeting.

Approval Clearance

Ethics Approval

Does your research project require ethics approval?
If answered Yes, Has the approval been obtained?
If answered Yes, Final approval/reference number(s)

Defence Trade Control Act (DTCA)

The Defence Trade Controls Act outlines measures that are in place to control the transfer of defence and strategic goods technologies. The Act includes provisions regulating: intangible supply of technology relating to defence and strategic goods, such as supply by electronic means across Australia’s borders. A ‘controlled activity’ is an activity that is regulated under the Act. Completing the Activity Assessment Questionnaire will help determine if your activities are controlled.

Are you or will you be carrying out any 'controlled' activities?

If answered Yes, fill the following details.

Using the online DSGL Search, does or will your research contain items that are listed on the Defence Strategic Goods List?

Using the DTCA Cheat Sheet, are there any exemptions or exceptions?
For the supply of items listed on Part 2 of the DSGL only (controlled dual-use technology), enter the exceptions that apply?
