**Five-star** university: QS Worldwide University rankings in graduate employability, teaching, research, facilities, innovation, internationalisation, access and specialist subjects

‘A typical five star university is generally world class in a broad range of areas, enjoys a high reputation and has cutting-edge facilities and internationally renowned research and teaching faculty’
Research at Macquarie

Excellence in Research Australia (ERA) 2015

96 % of disciplines rated at or above world standards
Top rating of 5 in Physical Sciences, Engineering, Agricultural and Veterinary Sciences

“While the extent of its achievements belies the University’s youthfulness, they are an accurate reflection of the ingenuity, inventiveness, agility and audacity shown over the first 50 years of its history. Across a kaleidoscope of disciplines, Macquarie’s researchers had led or contributed to world-leading research with world-changing impact” - Sakkie Pretorious, Deputy Vice Chancellor (Research)

Visa implications and other important matters
ESOS Compliance

- From July 2016, Student visa for research program falls under visa subclass 500

- Under ESOS compliance, the University is required to report all commencements, variations of enrolment, unsatisfactory progress and non-payment of fees to the Department of Home Affairs via PRISMS

- Student is required to remain with the initial education provider for a minimum period of 6 calendar months
Visa Integrity

International students under a student visa must not be in breach of any visa conditions. **You must:**

- Have **valid OSHC** at all times
- Maintain **full-time** enrolment
- Maintain **satisfactory** progress
- Notify their education provider of their residential address in Australia within 7 days of arrival or change via **e-Student**
- Notify their education provider of any changes to passport or visa details

Questions regarding your visa? Contact the [Department of Home Affairs](https://homeaffairs.gov.au)

Information on the Student Visa 500 is available [here](https://www.smartraveller.gov.au/australia/student-visa)
Permission to Work - Student Visa

• Full-time research candidates are expected to devote 40 hours per week to their research program

• Student visa holders may work under their student visa (check your visa condition)

• Under your visa for the research program, your student visa will have been automatically granted “permission to work”

• Scholarship recipients are further limited by their Conditions of Award to an average of 14 hours of work per week (ie, a maximum 728 hours per scholarship year)

• Your visa will be cancelled if you are caught working for more hours than you are allowed
**Tax File Number (TFN)**

- You must have a TFN if you intend to work in Australia.
- Your wages will be taxed at the maximum rate of 45% tax if you do not supply a TFN to your employer.
- If you earn any taxable income through paid employment during the financial year (1 July to 30 June), then you must file taxes with the Australian Tax Office after 30 June of each financial year.
- Macquarie University and Australian Government scholarships are non-taxable.
