MQ: 5 compulsory units, one elective unit chosen from two

CPA Australia: 4 compulsory units, two elective units chosen from five
Assessment Structure

Assessment of CPA ACCG8300 units

30% CPA Australia examination result
70% MU progressive assessment includes:
   100% attendance at all classes, that is attendance at weekly seminars is compulsory
   Group presentations, case studies, essays, on-line tests, client advice, report writing
Unit Structure in MQ Programs

What will Macquarie University provide?
• Extensive and full-time structured support for CPA examinations’ preparation
• Continued development of your accounting education
• Continuing development of communication and professional skills within each unit

What is expected of you throughout the semester?
Each MQ unit is studied concurrently with the equivalent CPA Australia unit.

In conjunction with your study for the CPA Australia exams you are expected to:
• Attend and participate in weekly seminars/lectures
• Work independently on assessment tasks and CPA material
• Meet with your group for preparation of group assignments
MQ Session 1 CPA classes commence 25 January 2021 (CPA start date) 3 weeks before standard MQ session

CPA exam week commencing Wednesday 7 April to Sunday 25 April
All MQ units break for the CPA Australia Exams and classes may continue after the completion of the CPA Exams

You must attend the classes you are registered in.

Attendance is compulsory.

- If a student **passed MQ component but failed the external CPA exam**, an **Incomplete grade (UL)** will be given. **Student must re-enrol in the failed subject with CPA Australia in the following session. If the student does not sit for the CPA exam in the following session then the UL grade will change to a F grade.** CPA Australia allows students to enrol in a maximum of 3 subjects per session.
- If a student has failed the **same external CPA exam twice**, the MQ Incomplete grade will be changed to a **Fail grade**, and student will need to re-enrol with MQ and CPA Australia in the following session.
- If the failed CPA exam is an elective, student has the option to change to another elective. Check with FBE Student Admin at BESS for more details.
CPA Australia Information - CPA Content & Materials

Each subject includes a:
- printed study guide
- satchel of supplementary materials
- some include computer-based learning material on CD

Texts/Resources
- Must have access to the CPA Australia Handbook
- Any other required material is listed in the Study Guide.

Required legislation may be accessed through the CPA Australia website link

Study guides contain:
- Self assessment questions
- In-text reflective questions
- Numbered exercises with answers
- Review questions /case studies with answers

Use the resources you have available in CPA Australia !!!

Do NOT rely on the notes by other external education/tuition bodies
Formal assessment for each subject is by a 3 hour and 15 minute ‘Open Book’ examination, with 5 minutes reading time.

A full list of exam centres will be made available on the CPA Australia website before enrolments open.

Candidates to schedule their exam as soon as they enrol to get the best choice of exam format, time and venue.

A key benefit of computer exams is that candidates can choose an exam time across the entire exam week.

All subject study material is examinable including relevant aspects of the CPA Members Handbook and legislation where advised.

Possible grades are HD, D, C, P or F.

The pass mark for each exam is based on an assessment of the required level of proficiency and tends to be in the range of 55-65 per cent.
CPA Australia Information - CPA Exam Information

- Students notified by mail of location and time
- 5 minutes reading time (no writing/marking paper)
- Exams are based on the whole segment includes study guide, supplementary materials, prescribed texts and readings (unless otherwise stated)
